Last Thursday 31<sup>st</sup> October, the Mayor of Whitchurch, Cllr Rob Hewson and Cllr John Sinnott (right) presented Pete Cooper with an engraved, hand-painted plaque with the Whitchurch Town Council crest on the front, to commemorate his time with the Council, amongst other thank-you gifts from staff.

The Mayor thanked Mr Cooper very much for his hard work and dedication during his time with the Council over the past seven months and wished him very well in the future:

*"Pete Cooper has taught us so much during the brief, yet intense few months he was with us, putting many policies in place, conducting a lot of training and ensuring that the Council can operate openly and transparently whilst still providing the best levels of service. I am proud to be Mayor of this Town Council which is now moving forward."*
