The Civic Centre has recently launched its Party Pack in association with the Civic Centre's Licensee, Jason Wainwright. Wedding and party planners can choose from a selection of buffet, dinner and sweet options with a very flexible menu. Jason enthused "We are more than happy to accommodate the needs of the individual and if they wish to alter some of the food options on the example menus then this is perfectly acceptable, we do the utmost to satisfy our clients. Naturally Hirers of the Civic Centre are welcome to make their own arrangements for any of the above or seek alternate local providers."

Town Centre Manager Zoë Dean said the "Party Pack is a great feature for the Civic Centre; it means that as a venue we are able to offer our hirers everything from one place, taking the stress out of arranging a big event. Jason can supply chair covers, tablecloths and decorations as well as welcome drinks packages and something sparkling to toast the bride and groom."
