## PRESS RELEASE

Michelle Wilson, who joined Whitchurch Town Council as Town Clerk two years ago, has announced her intention to leave.

Michelle said “I have enjoyed my time with Whitchurch Town Council but a difficult family situation means I am no longer able to sustain full time employment. I have spoken with the Council about other ways of working; however it would not be the ideal solution for the Town, which is my primary concern.”

Whitchurch Mayor Mike McDonald added “Michelle has contributed a great deal to the Council over the past two years and I thank her for her professionalism throughout what has been a period of great stability. It is with deep regret that I acknowledge and respect her decision and understand the reasons behind it.

The recruitment of a replacement Clerk is already in hand and Michelle will be fully involved throughout.”

Michelle will leave the Council at the end of October, by which time it is hoped a replacement is in post.
