Cllr Broders stated that he has taken expert advice, Schedule 12(A) Section 1 of the Local Government Act 1972 refers to employees, past employees and applicants to become employees, as well as office holders, past office holders and applicants to become office holders, therefore stating that the minutes were illegal and unlawful with regards to Schedule 12(A) is incorrect, as Councillors are not named as exempt.

She elaborated that the full team of Party in the Park had not been approached and that the event is a community event which should be run in partnership.

     - It was an unusual event in that it was a conference of entirely women except one male, and all were involved in local or national Government.
     - The Conference discussed the failure to invest in staff CPD at Councils.
     - The idea that there was no need to sprint to get things done, but to consider projects was put forward.
     - The focus for all Councils and Councillors is their electorate.
     - Some of the presentations are available to be shared, if you wish to receive a copy please let the Town Clerk know.
   - Cllr Duffy reported that she had attended the Northern Area SALC meeting on 18th March 2019 and the following discussions took place:

**17. PARTY IN THE PARK**

a. The previous years’ accounts were reviewed.
b. The following questions was asked:
   i. Should WTC be running the event with cost to Council and staff time?
   ii. Should it be a partnership event with Chamber of Trade?

Hilary Seward states that Party in the Park should have been offered to the community to run and asks why it wasn’t.

Cllr Sinnott stated that the matter had come to Finance Committee and that Party in the Park would be better organised by a community group.

Cllr Duffy proposed that this matter is deferred to a further meeting, that it was not good that the Town Clerk was attacked by a member of the public, namely Ms Hilary Seward.

Cllr Hall, all events run by community committees overseen by Whitchurch Town Council. As Chairman, the only agreement with regards to Party in the Park is to agree the date, and he personally welcomes that it becomes an independent Committee and is organised by the community.

The Town Clerk read out the ToRs for Events & Entertainment Committee, drawing the Council’s attention that the strategic management of events is to Committee and delegated authority is to the Town Clerk for operational management of events.

After a proposal from Cllr Raynes, seconded by Cllr Sinnott, it was **WTC/205/1819 RESOLVED** to defer the subject until a specially convened community meeting to organise Party in the Park can be arranged.
